

Words and Music by Tom Rush

[illegible]

I don't know when the mountains going to crumble,
I don't know when those seas will run dry.
When the moon'll turn blue, child, I haven't a clue,
But I'm going to love you 'til the day I die.

Em G
Now, sometimes the days will be dark and cloudy,
Em A
Sometimes the nights'll be long and cold,
Em Bm
Sometimes the road will be rough and rocky,
C A
But we got silver, baby, and we got gold.

We got gold 'cause we got love,
We got silver in the stars above,
Diamonds and pearls, baby, silver and gold,
I love when you're young, I'm going to love you when you're old.

[Instrumental verse]

Now, sometimes the days will be dark and cloudy,
Sometimes the nights'll be long and cold,
Sometimes the road will be steep and rocky,
But we got silver, baby, and we got gold.

We got gold 'cause we got love,
We got silver in the stars above,
Silver and gold, baby, diamonds and pearls,
I'll love you, love you, love you all around this world.

Now I *told* you I don't know how deep the sea is,
No use in asking *me* how high the sky,
The one thing I know for sure, babe, is I'm going to love you.

Love you, love you, love you 'til the day I die.
Love you, love you, darlin' 'til the day I die.
I love you, baby, 'til the day ... I ... die.
